

21275

Kublai Khan (1260-1294)

To transport rice from the Yangtze Valley to his new capital city of Daidu, Kublai put 3,000,000 people to work extending the Grand Canal.

To enhance trade, new roads were built from Daidu to the far corners of the empire.

married CHAB I

He was 1<sup>st</sup> Yuan Emperor

1275

Arriving in Kublai Khan's  
summer capital of SHANGDU in 1275  
with his father and Uncle,  
MARCO POLO served for 17 years  
in the Khan's foreign-dominated  
court

many small kingdoms and  
principalities of southern India  
and Ceylon submitted to the  
Mongols in the 1270's without  
resistance paying tribute  
on demand to the great Khan's  
seafaring generals
